1. PURPOSE

The faculty of Southern West Virginia Community and Technical College dedicate themselves to preparing Southern's graduates for the challenges that lie ahead. The following statement and goals describe Southern's commitment to providing each graduate the skills and knowledge necessary for professional and personal success.

2. SCOPE AND APPLICABILITY

This policy is applicable to all students enrolled in degree or certificate programs at Southern West Virginia Community and Technical College and the faculty who are responsible for instruction.

3. DEFINITIONS

The purpose of general education at Southern West Virginia Community and Technical College is to produce generally educated students who contribute to their communities and country. A generally educated student is, by definition, a life long learner with a common academic canon of knowledge, concepts and attitudes.

4. POLICY

Southern West Virginia Community and Technical College is committed to providing general education to help students develop the qualities and skills associated with college-educated adults. Southern's general education promotes the development of independent, critical, and conceptual thinking skills and those skills necessary for effective communication. Southern's general education provides students with an integrated view of knowledge and prepares them for their role as productive and responsible members of society.

5. BACKGROUND OR EXCLUSIONS
