

## Associate in Arts

60 Credit Hours

Students planning to earn a baccalaureate degree at a four-year institution may complete the first two years at Southern West Virginia Community and Technical College by earning the Associate in Arts degree.

A student may attend full-time (12 hours or more per academic term) or part-time (less than 12 hours per academic term) to complete the Associate in Arts degree. A full-time student can complete the degree in four or five academic terms. A student may earn this degree in conjunction with another degree offered by the institution. Day and evening classes are available. Many classes are available in a variety of formats, including traditional, online, and hybrid formats.

Students are encouraged to consult with an academic advisor at Southern in developing their educational plans. Students are encouraged to choose courses fulfilling the requirements for the Associate in Arts which meet their future baccalaureate degree requirements. Toward this goal, Southern encourages each student to consult the catalog of the institution to which the student plans to transfer.
