

## Business Accounting

Associate in Applied Science  
 60 Credit Hours

### Purpose

The Business Accounting Program is designed to provide a sound background in accounting skills for students who choose to enter the work force upon the completion of an Associate in Applied Science degree. Fundamental principles (two courses) as well as taxes, payroll, and managerial emphasis are incorporated into the program. Accounting job opportunities can be found in almost every industry.

The full Business Accounting Program is available at all campus locations.
