

Health Care Professional

Associate in Applied Science
 60 Credit Hours

Purpose

The Health Care Professional Program prepares individuals to work in a variety of healthcare settings. Individuals seeking work in the allied health area may work in hospitals, clinics, home health agencies, and physician offices. Individuals focusing on the area of allied health management may work as healthcare professionals in the areas of hospital administration, office manager, and other support positions. Graduates will have a firm foundation for understanding complex medical issues facing today's society. Completion of this program does not guarantee selection into an Allied Health or Nursing Associate Degree Program.

The full Health Care Professional Program is available at all campus locations.
