SUBJECT: Solicitation Policy

REFERENCE: West Virginia Code §18B-14-10

1. PURPOSE

Southern West Virginia Community and Technical College (“Southern” or the “College”) has the duty and responsibility to maintain a safe and healthy work and learning environment conducive to its principal mission of education while respecting the constitutional protection of free speech as well as the individuals right to privacy. Accordingly, the College hereby adopts this solicitation policy for the purposes of: (1) preserving the College’s right to permit or prohibit sales and solicitation activities on college property, and (2) to protect the campus community from sales and solicitation activities that are intrusive, unrelated to our educational purpose, or incompatible with normal operations. This policy is not intended to constrain solicitation of the College, which may be directed to appropriate employees solely in their capacities as employees or agents of the College, in the normal operation of college purchasing or contracting.

2. SCOPE AND APPLICABILITY

This policy applies to solicitation activities conducted on the grounds or within buildings under the control of Southern West Virginia Community and Technical College, including solicitation using Southern’s electronic mail network ("e-mail").

3. DEFINITIONS

The term “solicitation” as used here means the sale, lease, rental or offer for sale, of any property, product, merchandise, publication, or service, whether for immediate or future delivery; the distribution or display of printed material, merchandise, or products that are designed to encourage the purchase, use, or rental of any property, product, merchandise, publication, or service; or the oral or written appeal or request to support or join an organization other than a registered student, faculty, or staff organization. Solicitation further means the activity or process of seeking to obtain the support of an individual for a cause, movement, doctrine, or commercial product through persuasion or formal application.

4. POLICY

Solicitation of employees and students and/or distribution of literature for solicitation purposes is prohibited unless approved and conducted in accordance with the content, requirements and restrictions of this policy. To receive approval, the On Campus Solicitation Request Form (SCP–1735.A) will be submitted at least two weeks prior to the event. Proper approval must be obtained prior to the event being scheduled. The College reserves the right to withhold approval for any solicitation activities on property under its jurisdiction, and to regulate the time, place, manner and duration of approved solicitation. The College makes no warranty regarding the truth of any representation made in any written materials posted or distributed or other information provided as part of any solicitation activity engaged in pursuant to this policy.

A. Sales and solicitation by non-college organizations:
There shall be no sales and/or solicitation conducted on college property except by vendors with whom the college has contracted for the sale, lease, rental, or offer of said goods and services. Specifically prohibited by this policy is the solicitation of students of Southern West Virginia Community and Technical College by financial institutions, organizations, businesses, companies, establishments, or individuals for credit cards and/or credit services.

B. Sales and solicitation by official college organizations including student organizations: Solicitation for the sale, lease, rental, or offer of goods, services, and/or products on college property shall only be conducted by student organizations, faculty, or staff officially recognized and authorized by Southern West Virginia Community and Technical College or by legally authorized representatives of companies with whom the college has signed an official contract for the sale, lease, rental, or offer of said goods and services.

C. Sales limitations: Sales may not be conducted in competition with the products and services normally provided by the College.

D. Solicitation by employees: Solicitation by employees for purposes other than direct college related business during regularly scheduled work hours is prohibited. Solicitation during non-work hours (lunch or other break times) by employees is subject to other applicable sections of this policy.

E. Solicitation by students: Solicitation and/or sales by students or student organizations on college property are prohibited without the express written consent of the Vice President for Student Services.

F. Use of college mail and e-mail: Use of the college mail and e-mail systems for solicitation or sales is limited to official college business only. No other use of college mail or e-mail services and/or equipment is permitted.
